ORDER

This action has been in various stages of settlement for over a year. On May 18, 2010, the Court entered an Order (Doc. #208) approving the fifth extension of the deadline for filing the stipulation of dismissal based upon the settlement. By that stipulation, the parties were to file a stipulation of dismissal on or before August 31, 2010. To date, nothing has been received by the Court. The Court therefore concludes that the settlement has been consummated.

IT IS THEREFORE ORDERED that this action is hereby **DISMISSED** in accord with the settlement reached by the parties.

DATED: September 9, 2010.

PHILIP M. PRO
United States District Judge
